

Election of the Chair of the Energy Security and Net Zero Committee

1. This note describes the arrangements for the election for the Chair of the Energy Security and Net Zero Committee. The Order of the House of 27 March 2023 allocated the Chair of the Committee to the Scottish National Party. The election is conducted pursuant to Standing Order No. 122B and the Order of the House of 27 March 2023.

Nominations

2. The Speaker has declared that the ballot will take place on Wednesday 26 April between 11am and 2.30pm. Nominations will close at 5pm on Monday 24 April. Nominations are to be handed in on sitting days to the Table Office or Public Bill Office.
3. In accordance with the Order of the House of 27 March 2023, only a Member of the Scottish National Party may be a candidate for the Chair of the Energy Security and Net Zero Committee.
4. Nomination forms are available from the Table Office, Public Bill Office and Vote Office outlets but need not be used, provided that in all respects nominations meet the provisions of the Standing Order. To be valid, nominations must contain a signed statement made by the candidate declaring willingness to stand and must be accompanied by the original physical signatures of five Members elected to the House as members of the Scottish National Party. In the event that more than five signatures are collected from the same party as the candidate, only the first five valid signatures will be printed. Candidates who wish to re-order the signatures on their nomination form should indicate their preferred order clearly in writing on the form.
5. Nominations may be accompanied by the signatures of no more than five Members elected to the House as members of any party other than the Scottish National Party or of no party.
6. No Member may sign the statement of more than one candidate – if any Member does so, that Member’s signature will be invalidated for all nominations.
7. Candidates should declare any relevant interests with their nomination. Candidates may wish to consult the Registrar of Members’ Financial Interests. Candidates are advised to familiarise themselves with Chapters 2 (Declaration of Members’ interests) and 3 (Lobbying for Reward or consideration) of the Guide to the Rules relating to the Conduct of Members, available at the following link:
<https://publications.parliament.uk/pa/cm5803/cmcode/1083/1083.pdf>.

8. Candidates have the option of providing a supporting statement of up to 500 words.
9. Valid nominations received each day will be printed in the next day's House's business papers. They will also be published on the Committee website, along with the names of the candidate's supporting signatories, any declared interests and any supporting statement.
10. As soon as possible after the close of nominations, if there is more than one candidate, the list of candidates and their sponsors will be made available on the website. A booklet will also be published containing a photograph of each candidate, any declared interests and any supporting statement. If there is only one candidate, an announcement will be made by the Speaker in the Chamber that the candidate has been elected unopposed.

Ballot

11. If there is more than one candidate, the ballot will be held between 11am and 2.30pm on Wednesday 26 April in the Aye division lobby. Members should enter the lobby through the doors behind the Speaker's Chair and will have their names recorded at temporary division desks before being issued with a ballot paper.
12. Any Member who is on the Parliamentary Estate but is incapacitated from voting in person may ask for a Clerk to obtain a ballot paper on their behalf, bring it to the Member, and cast it in the ballot box. Members who need to use this service should make such a request in writing or by email to Kevin Maddison, Clerk of Divisions, Elections and Supply, Public Bill Office (maddisonk@parliament.uk). Requests should arrive by 9am on 26 April at the latest.
13. Members who have proxy votes in operation under the House's proxy voting scheme must ask their nominated proxy to cast their vote on their behalf. Only members eligible under Standing Order No. 39A to use the proxy voting scheme may vote by proxy.
14. The ballot paper will give the names of candidates in alphabetical order. Members should complete the ballot paper at one of the stations, and then deposit it in one of the ballot boxes towards the exit. Members should vote by ranking as many candidates as they wish in order of preference, marking 1 by the name of their first preference, 2 by the name of their second preference, and so on.
15. At 2.30pm the ballot will be closed and the entrance to the lobby will be locked. All Members in the lobby when the doors are locked will be allowed to vote. If the ballot has been interrupted at any point for a division of the House, additional time will be allowed as if it were a deferred division.

Count and further stages

16. The ballot will be counted under the Alternative Vote system. Any candidate who receives more than half the first preferences shall be elected. If no candidate is so elected, the candidate(s) with the lowest number of first preference votes is eliminated and their votes distributed among the remaining candidates according to the preferences on them. If no candidate has more than half the votes, the process of elimination and distribution is repeated, until one candidate has more than half the votes.
17. As soon as practicable after the closing of the ballot, the result will be announced in the Chamber and published under the direction of the Speaker. The Member so elected will take up their position as chair of the committee with immediate effect.
18. Chairs are elected to serve until the end of the Parliament.
